Essex County League Report 2017/18

Divisional Winners

Women's Doubles	Division 1	Stanway
Men's Doubles	Division 1	OP
Men's Doubles	Division 2	Ramgarhia
Men's Doubles	Division 3	Thurrock
Mixed Doubles	Division 1	Leighway 1
Mixed Doubles	Division 2	Stanway 2
Combi	Division 1	Leighway 1

After several years without any Women's Doubles we were finally able to constitute a competition involving 4 teams: Epping, Danbury, East Thurrock and Stanway. The clubs were encouraged to involve players from other local clubs where possible to maintain a level standard. Matches were structured for four players a side.

We welcomed a few new teams, one new club (Emerson Eagles), B&BP returned in the men's doubles but a couple of clubs dropped teams so overall numbers were similar.

The vast majority of matches were played although Stanway struggled to fulfill all their second team fixtures due to problems securing a venue.

A huge vote of thanks to Paul Barber who runs the website and fields a lot of requests during the season.

I am in need of some assistance in running the league. If you could take on a small job such as managing trophies I would be grateful of your assistance.

I would like to organise a social event in July 2019 at which we could present awards and maybe play some challenge matches such as league winners vs the Rest. Or Vets vs Juniors.
Any volunteers to help?
