

Essex 3rd Team – ICC Division 5C.

Essex 3rds went to Wimbledon to play Surrey 4ths but came away with a 9-6 defeat. Boris made his senior debut and rose to the occasion winning his singles, one of his doubles with Terry and his mixed with Sarah.

Also making her debut was Natalie Crisp who played doubles with her sister Jenni. It was a good team performance and we were unlucky to lose. 2 of the girls doubles went to 3 so with a bit of luck the result would have been a win for us.
