

Essex 3rd Team – ICC Division 5C.

Essex 3rds went to the top of the league with a magnificent win against Cambridge 3rds, the score was 15-0. The match was one sided but the players kept their concentration and played some good badminton. Basil and Kaleem got stuck in traffic and I had to put Dave up to 1st singles and Adam in at 2nd singles and both won convincingly in 2. Emma's singles was going to 3, when Dave noticed that her opponent had a poor backhand, so he went on court and told her and Emma won 21-18. The match was played in a great spirit and at one point Dave and Basil had a knock up with 2 of the opposition.

Our next match is against Beds who are 1 point behind us-this is a crunch match which we are looking forward to.
