

Essex 3rd Team – ICC Division 5C.

Essex 3rd's lost their last match against a strong Bucks 10-5. We got off to a great start by winning 3 of the 4 singles. After that we won only 2 more doubles, which was disappointing. Basil and Kaleem beat Bucks number 1 pair in 3 and Kaleem's scream of delight could be heard all over Buckinghamshire (Basil nearly collapsed with laughter).

That is one of the best things about the 3rd's, win or lose we always enjoy ourselves. We are all looking forward to next season having gained valuable experience in playing more experienced senior players - so watch out next season the 3rd's are coming to get you.

Finally I would like to thank all of the players who have played this season, a special mention to Basil who played all 10 matches and was a taxi to a few players as well. So keep playing and stay fit.

Graham Lane (Team Manager)
