

Essex 3rd Team – ICC Division 5C.

The 3rds finished the season with a 9-6 defeat against Surrey which was a disappointing result with some excellent badminton being played. Andrew winning all of his games, singles, doubles with Iain and mixed with Charlotte, was a highlight of the match. Terry and Mark had a very exciting doubles match with Surrey's No 1 pair, but could not close out the rubber.

The season has had its highs and lows but the main aim this season was to "Blood" as many young players as possible, which we achieved, so as for next season onwards and upwards. Thanks to all the players who played for the 3rd's we cannot fault your commitment and dedication to the team.

Thanks

Graham Lane (Team Manager)
