Teams Managers Report - Alan Sheehan

We lost 12-8 against Surrey, which I think is good enough for us to finish runners up in the group and will qualify for the National Finals. I must admit that if you had offered me this result before the game I would have taken it, but as it happens I can't help feeling a little disappointed, because actually we were very close to getting the draw, and the point that would have meant that we would have won the group. We knew that Surrey would be very strong, not only do they have real strength in depth, in both boys and girls they also have the England no 1 boy. Everyone played well, and gave everything, and everyone contributed at least 1 point. I'd like to thank everyone that has played this season, I think that we have done well to qualify from a tough group – as long as we do qualify....and everyone has played their part in this.
