

Essex Under 15s - Shires League Report

Sussex v Essex 8/11/08

A nailbiting 11-9 win ! We started slow being 3-1 down after the mixed but winning six out of the eight singles (including Tristan Taylor and Lloyd Sabatini who had their first appearances for the U15s) gave the team a much needed boost. The level doubles were halved leaving us overall with that one more win.

There was great suspense however with the last game which Rebecca Terry and Dedorah Petrova came back to win having dropped the first game (14-21, 19-21, 18-21). Well done Team Essex!
